Dear Senator Dworshak:

STAT

Thank you for your letter of 23 June 1958 concerning Mr. \_\_\_\_\_

STAT

STAT

Mr. \_\_\_\_\_

\_\_\_\_\_ was interviewed by one of our representatives in  
 on 10 May 1958, at which time there did not appear  
 to be a reasonable prospect of employing him. While we are recruit-  
 ing very few professional applicants at this time, we are always  
 pleased to review an application for consideration against openings  
 that might occur. This is particularly true in cases of applicants  
 with a demonstrated proficiency in the Russian language coupled  
 with specialized training in a professional field.

We shall again review the possibilities for Mr. \_\_\_\_\_ in light  
 of changes which might have occurred and advise you of the result.

Sincerely,

Allen W. Dulles  
 Director

The Honorable Spessard L. Holland  
 United States Senate  
 Washington 25, D.C.

Dear Senator Holland:

STAT

Thank you for your letter of 25 June 1958 in behalf of  
 Mr. A. [ ]

STAT

Mr. [ ] was first interviewed for employment with this organization in February 1958. However, our openings have been generally in the junior officer category and we did not have a more senior position available for his consideration. He wrote to us in May in the belief that events in South America might have improved his prospects for employment with us. A review of our needs at that time indicated no substantial change in our personnel needs and we advised Mr. [ ] to that effect.

STAT

In response to your inquiry, we have again reviewed the possibilities that might be available to Mr. [ ] but find no opportunity for accommodating his employment.

STAT

STAT

We appreciate Mr. [ ] continued interest and offer to be of service. His qualifications have been coded for ready reference and we shall be pleased to contact him if a suitable opening develops.
